

Aiden Buxton

Project:**Acounter Counter****Interview Form**

Person Interviewed:	Interviewer:	Date:	Version ID:
Kyle	Aiden	11/11/21	0.2

Purpose of Interview:

To gauge the demand of our app and what features are desired and sought after.

Summary of Interview:

Forming better habits is mentioned each time, is a common goal. Clear and simple Ui is desired. Google calender is a common go to for this sort of thing. Ads every other minute is annoying and leads to app deletion. App costumization and feedback option is appreciated. In this interview a proffesional ap is desired while being lighthearted.

Open Items:

Consider adding a feedback section.
